

Registration and payment guide – Camps CFH

Step 1: Registration

Click on the « Register here » white box of the camp you want to register for: March break, Summer for 4–11-year-olds, or Summer for 12-15-year-olds (leadership camp). Each box will lead to a Google form to fill out in a new tab.

→ The form is the same for our Burlington, Hamilton, and Milton clients. There will be one question about which camp you are registering for in it.

→ The button showed by the red arrow below leads to a PDF that provides more information about our leadership camp.

Here is what the 3 camp forms look like (they are bilingual):

March break Camp :

Summer camp 4-11

Summer leadership camp 12-15

Step 2: Which rate should I choose?

Once you have filled out the form, come back on the « Register » main page on our camp website (the tab should still be open, if not you'll have to open it again).

STEP 2 : PAYMENT

The image shows three vertical panels for payment options. The first panel (blue) is titled 'Weekly Rate' with a regular rate of \$240/week. It lists discount schedules for members and non-members for January-February and March-May, and an extended care rate of \$70/week. The second panel (black) is titled 'Full Summer Rate' with a 7-week regular rate of \$1,475. It lists discount schedules for members and non-members for January-February and March-May, and an extended care rate of \$70/week. The third panel (green) is titled 'Reduced Rates' and is 'On demand'. It lists discounts for siblings (3+ children), subsidized rates for families in need, and returning client discounts (3+ years of attendance). Each panel has a 'Buy Now' button and logos for VISA, Mastercard, American Express, and PayPal.

Each column is a summary of all available rates and discounts you can choose from. Rates vary according to :

- The month you're buying your ticket. The closer to summer, the higher they get.
- Your membership status.

To become a CFH member and benefit from the discounted rate, click on "Become a member with the Centre Francophone Hamilton" below the 3 columns. This will lead you to our main website www.centrefrancais.ca, on which you'll be able to fill out a form and pay for your membership. Once this is one, come back on www.campscfh.com to continue your camp registration.

- Your admissibility to rate.

To benefit from a reduced rate (subsidized, siblings or returning client), you need to contact us at info@centrefrancais.ca PRIOR TO making your payment, as we will give you a discount code to use in the payment step.

Step 3 (1): Payment for weekly bookings

If you want to book for a full summer (7 weeks), you can go directly to the end of page 3. Please note that payments are not available on smartphones, you need to access our website from a computer or tablet to complete the following step.

To book between 1 and 6 weeks for your child(ren), click on the BUY NOW button located on the BLUE column. A pop-up window like that will appear:

The screenshot shows a payment pop-up window titled 'Order Summary' and 'Payment'. The 'Order Summary' section shows a 'Billet de camp / Camp ticket' with a price of CAD 240.00. The 'Total' is CAD 240.00. The 'Payment' section shows a 'Code de réd.' field and an 'Appliquer' button. Below that are two payment options: 'PayPal' and 'Debit or Credit Card'. The window is powered by PayPal and is labeled 'Safe and Secure'. A blue arrow points to the '- Tarif se...' dropdown menu in the 'Order Summary' section. The background shows a website with a 'Buy Now' button and logos for VISA, Mastercard, American Express, and PayPal.

- 1) Click on the box pointed at by the blue arrow above to select your rate option. 4 options are available for each purchase (drop down menu) : Member rate without extended care ; Non-member rate without extended care ; Member rate with extended care ; Non-member rate with extended care.

The price you see next to the price option is the discount in CAD you get compared to the full price. All options in the drop-down menu are updated monthly by our team, so you see can only the rates applicable at the time of your booking.

Examples :

- You are doing a weekly booking in the month of April. You are a non-member and you do not want the extended care. This is the rate option you'll select:

« Non-member rate without extended care -10.00CAD »

Indeed, you'll pay 230 CAD instead of 240 CAD, which is the weekly full rate.

- You are doing a weekly booking in the month of January. You are a member and want the extended care. This is the rate you'll select :

« Member rate with extended care -45.00CAD »

Indeed, the rate in January for members is 195 CAD. Extended care is 70 CAD per week. Your total is therefore 265 CAD instead of 310 CAD full price. The difference is 45 CAD.

- 2) Select the number of tickets you need. To determine that number, add the number of children you are registering to the number of weeks you are booking for.

Examples :

- You have 3 children and want to register them for 2 weeks, press the « + » until you reach 6
- You have 1 child and want to register him/her for 5 weeks, press the « + » until you reach 5

Since you mentioned in the registration form (Step 1) how many children you have and which specific weeks you are booking for, we already have this information on file.

- 3) Add the discount code which was given to you by our team if you applied for one prior to starting this step.

- 4) Click either on Pay by debit/credit or Pay via Paypal, enter your payment information and you're done!
